

THE 2ND NATIONAL AGRI-NUTRITION CONFERENCE

Date: 11th-13th September 2018 | Venue: The Kenya School of Government

Theme: Accelerating Nutritional Gains Through Agriculture

ABOUT THE CONFERENCE

The Ministry of Agriculture, Livestock, Fisheries and Irrigation in collaboration with the Ministry of Health, USAID and other Multi-Sectoral Development partners have planned for the 2nd National Agri-Nutrition conference as a platform for experience sharing, highlighting the investment opportunities in agri-nutritional programming, and developing a roadmap towards scaling up of best nutrition-sensitive agricultural practices. The theme of the Conference is: **Accelerating Nutritional Gains Through Agriculture**, at the **Kenya School of Government, Nairobi-Kenya**. The opening ceremony will be officiated by the **Cabinet Secretary, Ministry of Agriculture, Livestock, Fisheries and Irrigation, Hon. Mwangi Kiunjuri**, while the closing will be presided over by the **Cabinet Secretary, Ministry of Health, Hon. Sicily Kariuki**.

THEMATIC AREAS

- Agriculture as a key driver to consumption of safe diverse nutritious foods
- Multisectoral approach to addressing malnutrition - Agriculture, Education, WASH, Social Protection, Health, Trade & Industrialization
- The role of the private sector in increasing access to safe & nutritious foods,
- Appropriate technologies and techniques in food systems for better nutrition,
- Importance of food safety in food and nutrition,
- Knowledge management for Agri-Nutrition: Filling the data gap.
- Effective communication for agri-nutrition.

CONFERENCE STRUCTURE AND PROGRAM

The conference will have presentations, plenary discussions, themed break away sessions as well as exhibitions from various agri-nutrition stakeholders and actors.
